Subject: Re: Investigation Work Plan Proposal for 009/010 and 001 at ArcelorMittal Indiana Harbor West

Sean-

I assume That should cover our data too since the USCG labs have done our testing too.

Mike Beslow
On-Scene Coordinator
US EPA, Region 5

We will maintain communication with ArcelorMittal and EPA regarding Outfalls 001, 009, and 010. USCG is especially concerned about Outfalls 009, and 010. Please keep USCG updated with plans addressing Outfalls 009, and 010.
